On the 2nd and 3rd of September the fair will be held. This is Trego County's first attempt at a regular fair but if the people will enter in and help and see who can enter the finest steers, colts, poultry, vegetables, grains, etc., there will be an exhibition that will fairly make the western jayhawkers mouths water. Bring the babies, the little children, the pretty girls, the fathers, the mothers, in fact the whole family and have the time of your life at Trego County's first fair. Plenty doing in the way of amusements, lots of water and lots of room are promised. Come one, come

all, Friday and Saturday, Sept. 2nd and 3rd.

On Tuesday a very sad accident occurred at the home of J. P. Anderson who lives about eight miles south of town. It seems the ten year old son had been in the habit of riding a horse to the rural delivery mail box and the carrier had arrived, and as usual went on Tuesday. His folks thought he was staying longer than was his custom and made a search which resulted in finding the horse in the stable and the boys almost lifeless body hanging from the stirrup. The supposition that the boy had probably started to dismount and perhaps fell catching his foot in the stirrup thus frightening the horse which started to run dragging the unfortunate child who could not get his foot unfastened from the stirrup. Every thing was done to save his life but his injuries proved fatal

and he died some time during the night. He is a grandson of John Saleen. The people of this community as well as the vicinity in which they live sympathize deeply with these people in this misfortune which has befallen them.

Word was received this week from Reedley, California, of the death of John R. Fulton, father of D. B. Fulton a former resident of Trego County. Mr. Fulton will be remembered by a number of people in this vicinity, having lived with his son and family on a farm near Ogallah for a number of years. He was born in Huntington County Pa., November 13, 1822 and died at Modesto, Cal., August 20, 1910 making his age at the time of his death 87 years, 9 months and 7 days. The remains were sent to Wymore, Neb., for interment. The funeral was held from the Methodist church of that city. Mr. Fulton has the sympathy

of his friends here in the loss of his aged parent.

Claud Gilbert is here from Colorado. He says crops are fine out there where they irrigate.

Grandpa Bronson, of the east part of the state is visiting his son Grant and family.

Miss Louis McCollum of Topeka is visiting relatives north of town this week.

Early Thursday morning the temperature took a drop and wraps and light fires were not uncomfortable.

The free puzzle prize given by the Larabee Furniture Company closed last Saturday eve. Miss Eva Wisch won first prize a beautiful gold watch and Miss Bernice Mattingly won second prize a genuine diamond ring.
